A Grand Unified Theory is a model in particle physics in which, at high energies, the three gauge interactions of the Standard Model comprising the electromagnetic, weak, and strong forces are merged into a single force. Although this unified force has not been directly observed, the many GUT models theorize its existence. If unification of these three interactions is possible, it raises the possibility that there was a grand unification epoch in the very early universe in which these three fund

Trump Has a Grand Unified Campaign Conspiracy Theory

The Unified conspiracy theory, popular among crank-magnetism types, posits that reality is controlled by a single evil entity that has it in for them. It can be a political entity, like "The Illuminati", or a metaphysical entity, like Say-tan Satan, but this entity is responsible for the creation and management of everything bad.

The Grand Unified Conspiracy Theory

Not to be confused with Unified Conspiracy Theory. Grand Unified Theories, or GUTs (without which, is has been alleged, there is no glory) are theoretical attempts to unify the electromagnetic, strong and weak forces. Despite their name, they are actually less "grand" than Unified Field Theory (which hopes to add gravity into the mix as well).
