LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Dell Laptop Repair Manual

Enter the Service Tag, Dell EMC Product ID, or Model, and then touch or click the Search button, and select your computer from the list. Touch or click Browse all products : You must select the type of device you have, the brand name, and then the product model.
