Gods Of Eden William Bramley

William Bramley makes it clear early on that he's about to drive you to places you never thought you'd go, and that's certainly true. The key E T material is marshalled into the first four chapters before he plunges into a search through religious and esoteric history in seeking to support the view that we're the sport of aliens and the 'hot rods of the gods' have been with us all along.

Amazon.com: The Gods of Eden (9780380718078): Bramley ...

The Gods of Eden by William Bramley is a relatively old book written in 1989. It is interesting to note that his purpose was to search the origins of human warfare and not to write this kind of book. Something that is supported by the fact that he hasn't written anything else since then. I read the book about 8 months ago.

Bramley, William - The Gods of Eden

The Gods of Eden - Share research

The Gods of Eden. Have alien "gods" been manipulating humans into warring with each throughout human history? Author: William Bramley. Reviewed by Theresa Welsh. I first read The Gods of Eden some years back (the book was first published in 1989) and it made an impression on me as being a bit different from the other alternate history works I had read. At various times over the years I have picked it up and reread a chapter here or there.

Gods of Eden - WHALE

Here is some information and comment relating to the thesis put forward by William Bramley in The Gods of Edenthat the basic cause of war, genocide and conflict in history is not a viciousness innate in the human species (or even in the male part of it) but rather is the less-than-benevolent interference in human affairs by extraterrestrials (members of a race which had its origin other than on Earth, the Anunnaki).

The Gods of Eden Q&A - William Bramley, Author

The Gods of Eden. William Bramley. They Came To Earth Millions Of Years Ago To Spread The Poison Of Hatred, War And Catastrophe... They Are With Us Still... Human history is a seemingly endless succession of bloody conflicts and devastating turmoil. Yet, inexplicably, in the light of astonishing intellectual and technological advancement, Man's progress has been halted in one crucial area: he still indulges the primitive beast within and makes war upon his neighbors.
