An Introduction To ...**

Peter Trudgill examines the close link between language and society and the many factors that influence the way we speak. These range from gender, environment, age, race, class, region and politics. Trudgill's book surveys languages and societies from all over the world drawing on examples from Afrikaans to Yiddish.

**Sociolinguistics:
An Introduction
To Language And
Language ...**

Sociolinguistics is the academic study of the relationship between language and society. That's a vast topic to say the least! Peter Trudgill, though, manages to offer us here a straightforward introduction to it all. First of all, he tackles, simply, monolingual societies.
