...

Expansion and War on the Frontier. Source. Threats to Indian Survival. From 1754 to 1763 fighting raged along the western and northern expanses of British North America as American colonials and British soldiers warred against the French. On both sides Indian allies did much of the fighting; Indians had a vital interest in trading furs and deerskins with Europeans and had become dependent on ...

Expansion and War on the Frontier | Encyclopedia.com

For this revision, Utley includes scholarship and research that has become available in recent years. What they said about the first edition: "[The Indian Frontier of the American West, 1846-1890] provides an excellent synthesis of Indian-white relations in the trans-Mississippi West during the last half-century of the frontier period." --Journal of American History "The Indian Frontier of the ...

...

American frontier - American frontier - The frontier and politics: Out of the frontier and the West which it left behind came a goodly share of the country's problems and not a few of its most bitter conflicts. The steady advance of population produced recurring clashes with the Native American population. Wars and treaties and ultimate removal of the Indians to reservations were the ...
