Tim Benton is the author of *Understanding Heritage and Memory* (4.00 avg rating, 6 ratings, 0 reviews, published 2010), *The Modernist Home* (3.60 avg rating, 0 reviews, published 2010).

Tim Benton (Author of Understanding Heritage and Memory)

Human memory involves a collection of systems that enable us to remember the past and imagine the future. Films can enhance our understanding of memory by telling us stories about people, illustrating how their present was shaped by their past and how, by watching their stories, we might navigate similar situations in our future.

Yet memory is also simultaneously agentic in that it is an aspect of the social construction, production and performance of everyday, lived social life which, by extension, includes heritage and identity. This is memory manifested through forms of memorywork, ranging from individual reverie and oral narratives to physical individual or collective performances such as dance or the enactment of daily routines, secular and religious rituals, or festival celebrations.
